Name of the Student club

Details of Activities conducted in AY 2025-26

Name of Club –Cultural Committee

Tagline and Logo –

Establishment Year-1990 Information about club –

The Cultural Club stands as become of creativity and coordination within the college community. With an aptly name title that encapsulates their spirit, they are the driving force behind a spectrum of captivating culture events that breathe life into the campus.

From the captivating Meraki to the intellectually charge smart India Hackathon, and from the exuberant Youth Festival to the enlightening MSEB event, the culture team's influence reverberetes through an eclectic range of activities. Each event carries distinct identity, yet all are united under the umbrella of team's commitment to fostering artistic expression, innovation and communal engagement.

The dedicated committee's work extend far beyond logistical coordination they are the architects of experiences that resonates with students, faculty, and the wider community alike. Through meticulous planning, resource management and unwavering dedication to excellence, the culture team creates a seamless canvas on which Cultural event are painted, leaving an indeliblemark on the college's social and intellectual landscape.

Faculty Coordinator - Mr. Kiran Kangle

Mr.Mihir Kulkarni Mrs. Minaj Shikalgar

Student Coordinator - Mr. Yash Patil

Mr. Swayam Budhale Ms. Savani Purohit

Core Team-

President	Mr. Yash Patil
Vice - President	Mr. Swayam Budhale Ms. Savani Purohit
Secretary	Ms. Vedika Rokade
Joint Secretary	Mr. Saumitra Shingare
Treasurer	Mr. Atharva Kumbhar
Co- Treasurer	Ms. Saishwari Methe

Activities Conducted in the Academic Year 2025-26 by the student club-

Sr. No.	Event	Date	Page no.
1	Ganesh Festival Flash Mob	28 August 2025	6
2	Youth Festival	9th to 13th September 2025	8
3	Techumen 2025 (Walchand)	11th & 12th October 2025	12
4	Smart India Hackathon	8th December 2025	15
5	Meraki 2025	23rd to 25th February 2026	18

KOLHAPUR INSTITUTE OF TECHNOLOGY'S COLLEGE OF ENGINEERING KOLHAPUR (EMPOWERED AUTONOMOUS)

CULTURAL COMMITTEE

Ganesh Chaturthi Celebration 2025
Flash Mob

Venue: KIT's College of Engineering, Kolhapur
Date: 28 August 2025
Organized by: Aura Club
Support: Cultural Committee

- **Introduction**

Ganesh Chaturthi, one of the most revered and traditional festivals in India, was celebrated with great devotion and enthusiasm at KIT's College of Engineering, Kolhapur on 27 August 2025. The celebration aimed to honor Lord Ganesha and to promote cultural values and unity among students and staff members.

- **Event Overview**

The event was organized by the Aura Club of the college, with active support from the Cultural Committee in planning and execution. The celebration commenced with the installation of Lord Ganesha's idol followed by traditional pooja and prayers. Faculty members, students, and staff gathered to seek blessings and participate in the auspicious occasion, creating a spiritually uplifting atmosphere across the campus.

- **Cultural Performances**

A major highlight of the celebration was the vibrant flash mob performance conducted by the Cultural Committee members as a part of the program. The energetic presentation added excitement and brought together students in a joyful spirit. In addition, a semi-classical dance performance was presented, beautifully reflecting devotion and the cultural significance of Ganesh Chaturthi. The performers were appreciated for their coordination, expressions, and dedication.

- **Participation and Coordination**

The event witnessed active participation from students and faculty members. The Aura Club ensured proper planning and smooth execution of the celebration, while the Cultural Committee played a significant role in organizing and performing the cultural activities.

- **Conclusion**

The Ganesh Chaturthi celebration at KIT's College of Engineering was conducted successfully, blending traditional rituals with modern cultural expressions. The event strengthened unity, promoted cultural awareness, and created a memorable experience for everyone present on campus.

Youth Festival 2025–2026

District Level and Central

The District Level and Central Youth Festival for the academic year 2025–2026 was organized under the guidance of Shivaji University. This prestigious festival marked the 45th Youth Festival of the University and was conducted in a two-stage format comprising District Level and Central Level competitions.

The primary objective of the Youth Festival was to provide a dynamic platform for students to exhibit their artistic, literary, and cultural talents while fostering creativity, discipline, and healthy competition among affiliated colleges.

• District Level Youth Festival

The District Level Youth Festival was conducted at different host colleges across various districts as per the official schedule:

- Satara District – 9th September 2025
- Sangli District – 11th September 2025
- Kolhapur District – 13th September 2025

The competitions were organized systematically under the supervision of university authorities and host institutions. Students from affiliated colleges participated enthusiastically in various individual and group events.

The major competitions included:

- Debate
- Elocution (Marathi, Hindi, and English)
- Classical Singing (Solo)
- Classical Group Singing
- Quiz Competition
- Solo Folk Instrument
- One Act Play
- Group Singing

Participants demonstrated remarkable confidence, preparation, and stage presence. Expert judges evaluated performances based on predefined criteria, ensuring fairness and transparency.

As per the revised structure for 2025–2026, the District Level Festival awarded First, Second, Third, Fourth, and Fifth positions. The top five winners in each competition qualified to participate in the Central Youth Festival.

Additionally, certain structural changes were implemented this year. The Solo Folk Instrument event was directly included in the Central Youth Festival category, and a new group event (Shobhayatra) was introduced at the Central Level.

• Central Youth Festival

The Central Youth Festival was conducted from 18th September to 20th September 2025 at the designated host college. Students who secured top positions at the district level represented their respective colleges at this higher stage of competition.

The Central Festival witnessed outstanding performances and healthy inter-collegiate competition. Participants displayed exceptional talent in literary, performing arts, and cultural events. The event not only celebrated artistic excellence but also strengthened the spirit of unity and collaboration among students from different districts.

• Participation and Achievements

Our college actively participated in the Youth Festival with great enthusiasm. The students represented the institution in multiple competitions and performed commendably.

Notable achievements include:

- First Prize – Quiz Competition
- Second Prize – English Elocution
- Consolation Prize – Solo Folk Instrument

These accomplishments brought pride and recognition to the institution. The dedicated efforts of the students, along with continuous guidance from faculty coordinators, played a vital role in securing these achievements.

District Level & Central Youth Festival 2025–2026 Schedule

Sr. No.	**District**	**Host Collage**	**Date**
1.	Satara	Savitribai Phule Mahila Mahavidyalaya, Satara	9th September 2025
2.	Sangli	Karmaveer Bhaurao Patil College, Uran Islampur	11th September 2025
3.	Kolhapur	Shivraj College of Arts, Commerce & D.S. Kadam Science College, Gadhinglaj	13th September 2025
4.	Central Level	Shikshan Maharshi Dr. Bapuji Salunkhe College, Miraj	18th–20th September 2025

- # Conclusion

The Youth Festival 2025–2026 proved to be a grand success. It served as an enriching experience for students by enhancing their confidence, creativity, teamwork, and leadership skills. The event also provided an opportunity for cultural exchange and holistic development beyond academic learning.

Such initiatives by Shivaji University continue to encourage young minds to explore their talents and strive for excellence in diverse fields. The festival concluded on a positive and inspiring note, leaving participants motivated for future endeavors.

CULTURAL COMMITTEE

TECHUMEN 2025
National Level Technical Symposium

- ## Event Details

Date: 11th & 12th October 2025
Time: Daytime
Venue: Main CCF & CSE Seminar Hall Walchand College Of Engineering, Sangli.
Organized By: Association of Computer Science & Engineering Students (ACSES)

- ## Description

Techumen 2025 – National Level Technical Symposium was organized by the Association of Computer Science & Engineering Students (ACSES) at Walchand College of Engineering, Sangli, on 11th and 12th October 2025. The symposium aimed to enhance students' technical knowledge, coding proficiency, and innovative thinking through structured competitions and hands-on workshops.

- ## Objectives of the Event

The objectives of Techumen 2K25 were:
To strengthen students' technical and programming skills.
To promote innovation and analytical problem-solving abilities.
To encourage practical learning through competitions and workshops.
To foster teamwork and collaborative development.

- ## Organizing Committee

The event was successfully coordinated under the leadership of the following core members:

President – Yash Savalkar
Vice President – Yash Kinikar
Secretary – Pratik Deoke
Treasurers – Gaurav Patil and Neeraj Ahire
Program Directors – Niranjan Mane and Suhani Khadake
Club Service Directors – Alok Kulkarni and Swarangi Toraskar
Technical Head – Mahir Bajole
Marketing & PRO – Zaid Pathan
Editor & Designer – Parth Chikalkar
Web Developers – Ankan Jagtap and Siddharth Swami

- **Event Proceedings**

The symposium commenced with an inaugural ceremony, marking the beginning of two days dedicated to technical excellence and innovation. The major highlights included Code Blast, a competitive coding contest designed to evaluate participants' programming and analytical skills, and the Java Arena Workshop, a hands-on session focused on core Java concepts and practical implementation.

Students participated enthusiastically, demonstrating strong problem-solving skills and effective teamwork. The event was conducted smoothly under faculty supervision.

- **Guest Address**

The Chief Guest, Shivam Dayanand, delivered an inspiring speech emphasizing innovation, continuous learning, and dedication in the field of technology. The event concluded with a prize distribution ceremony recognizing outstanding participants.

- **Conclusion**

Techumen 2025 was successfully conducted and widely appreciated. The symposium effectively strengthened the technical culture of the institution and provided valuable practical exposure to students.

Smart India Hackathon 2025

Event: Smart India Hackathon (SIH) 2025 – Software Edition (Grand Finale)
Host:KIT's College of Engineering, Kolhapur
Date: 8 December 2025
Venue: KIT's College of Engineering, Kolhapur (Empowered Autonomous)
Organisers: Ministry of Education's Innovation Cell, All-India Council for Technical Education (AICTE), Government of India
Objective: To offer a national platform for student innovators to collaborate, create and present technology-driven solutions for real-world challenges aligned with national missions such as *Digital India* and *Atmanirbhar Bharat* — bridging academic knowledge with practical implementation. (News On Air)

- **Event Overview**

The Smart India Hackathon (SIH) 2025 is one of the **largest innovation challenges** in India, engaging thousands of student teams across the country to ideate, design, and prototype solutions within a fixed timeline. The software edition's Grand Finale was conducted on 8–9 December 2025 at selected nodal centres nationwide, and KITCOEK proudly served as one such central venue, welcoming innovators and mentors from diverse institutions. (LinkedIn)

- **Participation & Format**
- The hackathon brought together bright young minds ready to **tackle pressing problem statements** provided by ministries, PSUs, industries, and government departments.
- Teams worked in multiple domains such as AI/ML, cybersecurity, smart education, and social impact solutions, focusing on **innovation, feasibility, and scalability**.
- Students collaborated under high-intensity conditions to produce functional prototypes and workable solutions that address **real-world technological and societal needs**. (News On Air)

- **Key Highlights:**

- **National Importance:** The Smart India Hackathon 2025 edition saw significant nationwide involvement, reflecting the government's commitment to nurturing student innovation and entrepreneurship. (News On Air)
- **Local Impact:** KITCOEK, selected again as a nodal centre, hosted multiple teams on its campus, providing students with a platform to deploy their **problem-solving skills** and showcase innovative project work in front of industry experts and academic mentors. (LinkedIn)
- **Collaborative Ecosystem:** The event reinforced collaboration among students, faculty mentors, industry professionals, and evaluators, strengthening the institution's culture of **innovation and technical excellence**. (News On Air)

- **Conclusion:**

The Smart India Hackathon 2025 at KITCOEK was a **highly engaging national innovation event**, enabling participants to contribute meaningfully toward technological advancement and societal development. This hackathon not only highlighted the **creative potential of the student community**, but also underscored India's broader vision of becoming a leader in grassroots innovation and technology solution development. (LinkedIn)

MERAKI 2026 (DAY 1)

Date: 23 February 2026
Venue: Main Entrance and Campus, KIT College of Engineering Kolhapur

The grand annual cultural fest **Meraki 2026** began with great enthusiasm and excitement on **23rd February 2026** at the main entrance of KIT College of Engineering Kolhapur. Students, faculty members, and guests gathered in large numbers to witness the vibrant beginning of this much-awaited annual event.

The celebration commenced with the **Flag Hoisting Ceremony** from **9:30 AM to 10:00 AM** at the main entrance of the campus. The ceremony was conducted with pride and dignity, officially marking the inauguration of Meraki 2026. The atmosphere was filled with energy and excitement as the flag was hoisted, symbolize

ing unity, creativity, and the spirit of the festival.

Following the inauguration, the **Traditional Day Celebration** was organized from **10:00 AM to 1:30 PM**. On this occasion, students represented various states of India through their traditional attire. The campus became a vibrant display of India's cultural diversity. A **ramp walk** was conducted in which both **students and faculty members** confidently showcased their traditional outfits, receiving great appreciation from the audience.

After this colorful event, **Talent Show – 1** was held from **2:00 PM to 4:40 PM** at the **Open Air Theatre**. The program provided a platform for students to showcase their artistic abilities. Participants presented a variety of performances including **instrumental music with piano and guitar**, as well as **classical, semi-classical, and western dance performances**. The audience enthusiastically applauded each performance.

Later, **Variety Show – 1** took place on the **college ground from 5:00 PM to 6:15 PM**. In this event, several talented students performed beautiful songs and impressed the audience with their melodious voices, creating a lively and cheerful atmosphere.

These events marked the vibrant beginning of **Day 1 of Meraki 2026**, with enthusiastic participation from students and faculty members, celebrating culture, creativity, and talent across the campus.

Glimpses:

FUSION OF TRADITIONS – MERAKI 2026 (DAY 1)

Date: 23 February 2026
Venue: KIT Ground, KIT College of Engineering Kolhapur

As a part of **Meraki 2026**, a departmental level cultural competition titled **"Fusion of Traditions"** was organized on **23rd February 2026** at the **KIT Ground** of KIT College of Engineering Kolhapur from **6:30 PM to 9:30 PM**. The event brought together creativity, culture, and teamwork as students from different departments showcased their talent through powerful performances.

In this competition, **one team from each department** participated and presented performances based on unique traditional or historical themes. Through a blend of **dance, drama, music, and storytelling**, each department beautifully portrayed its chosen concept. The performances highlighted India's rich cultural heritage and historical pride while keeping the audience fully engaged and entertained.

The event was filled with energy, enthusiasm, and impressive stage presentations. Students displayed excellent coordination, creativity, and dedication in representing their themes through costumes, expressions, and powerful acts.

At the end of the competition, the **Mechanical Department** secured the **first position**, followed by the **AIML Department** in **second place** and the **Biotechnology Department** in **third place** for their outstanding performances.

Overall, **"Fusion of Traditions"** proved to be a memorable highlight of **Meraki 2026**, celebrating tradition, unity, and the remarkable talent of the students.

Glimpses:

MERAKI 2026 (Day-2)

FUN FIT FIESTA AND KHANIKA

Date: 24 February 2026
Venue: Campus of KIT College of Engineering Kolhapur

As a part of Meraki 2026, two engaging events **"Fun Fit Fiesta**" and **"Khanika – Short Film Competition"** were organized simultaneously on 24th February 2026 from 10:00 AM to 1:30 PM at KIT College of Engineering Kolhapur.

The Fun Fit Fiesta was conducted in the enclaves of the college campus. It consisted of several fun game stalls where students enthusiastically participated in different entertaining activities. The stalls were creatively arranged and attracted a large number of students, creating a lively and joyful atmosphere across the campus.

At the same time, "Khanika", a Short Film Competition, was held in the Seminar Hall of the Mechanical Department. In this event, participants presented short films showcasing creativity, storytelling skills, and meaningful messages. The competition provided a platform for students to express their ideas through filmmaking and visual presentation.

Both events witnessed active participation and enthusiasm from students, adding excitement and creativity to the celebration of Meraki 2026.

Glimpses:

TALENT SHOW – 2 AND VARIETY SHOWS

Date: 24 February 2026
Venue: Open Air Theatre and Ground, KIT College of Engineering Kolhapur

As a part of the grand annual cultural fest Meraki 2026, several vibrant cultural programs were organized on 24th February 2026 at KIT College of Engineering Kolhapur. The events provided an excellent platform for students to showcase their artistic abilities and creative talents. The campus was filled with excitement and enthusiasm as students gathered to witness a series of entertaining performances.

The Talent Show – 2 was conducted from 2:00 PM to 4:30 PM at the Open Air Theatre (OAT). This event highlighted the diverse talents of students from various departments. Participants performed a wide range of acts including dance performances, instrumental music, singing, and other creative presentations. Some students displayed their musical skills through instruments, while others impressed the audience with expressive dance forms and energetic stage presence. The performances included classical, semi-classical, and western dance styles, along with musical presentations that captivated the audience. Each act reflected the dedication, practice, and passion of the participants. The audience enthusiastically applauded every performance, creating a lively and encouraging atmosphere throughout the event.

After the successful completion of the Talent Show, the celebrations continued with the Variety Singing Show held on the college ground from 5:00 PM to 6:30 PM. This musical event provided a platform for talented singers to showcase their melodious voices. Students performed a variety of songs ranging from romantic and classical melodies to energetic and popular tracks. Their soulful singing created a pleasant and joyful atmosphere across the ground. The audience enjoyed the musical performances and appreciated the singers with loud applause and cheers. The event beautifully highlighted the musical talent present among the students.

Following the singing performances, the evening became even more energetic with the Variety Dance Show, organized on the college ground from 6:30 PM to 9:30 PM. This event featured a series of vibrant and powerful dance performances presented by students. Various dance styles such as classical, semi-classical, folk, and western dance forms were showcased during the program. The dancers impressed the audience with their synchronization, expressive movements, colorful costumes, and energetic choreography. The stage was filled with enthusiasm as each performance brought a unique theme and creative presentation. The audience remained engaged and excited throughout the program, enjoying the lively performances and cheering for the participants.

These cultural events were conducted in the presence of respected trustees, the director, faculty members, and a large number of students. Their presence and encouragement motivated the participants and added grace to the entire program. The support and appreciation from the audience played an important role in making the event successful.

Overall, the Talent Show – 2, Variety Singing Show, and Variety Dance Show became some of the most exciting highlights of Meraki 2026. The programs not only entertained the audience but also provided students with an opportunity to express their creativity and confidence on stage.

The enthusiasm, teamwork, and dedication shown by the participants truly reflected the vibrant cultural spirit of the institution and made the celebration memorable for everyone present.

Glimpses:

Meraki Day 03

- **Report on Treasure Hunt Event – Meraki 2026**

A Treasure Hunt event was successfully organized on 25th February at KIT College of Engineering (KITCOEK) as a part of the much-awaited annual fest, *Meraki 2026*. The event was conducted from 10:00 AM to 2:00 PM and witnessed enthusiastic participation from students across various departments.

The Treasure Hunt aimed to promote teamwork, problem-solving skills, and strategic thinking among participants. Students formed teams and were provided with the first clue, which led them on an exciting journey across different locations within the campus. Each clue was creatively designed, requiring logical reasoning, quick thinking, and collaboration to solve the puzzles and move ahead.

The entire campus was filled with energy and excitement as teams raced against time, decoding riddles and searching for hidden clues. The event not only tested the intellectual abilities of the participants but also encouraged communication and coordination within teams.

Organizers ensured smooth execution of the event by managing clues, monitoring team progress, and maintaining fairness throughout the competition. Safety measures and proper guidelines were also followed to ensure a hassle-free experience for all participants.

Students actively engaged in the event and displayed great enthusiasm, making it one of the most lively and memorable activities of Meraki 2026. The Treasure Hunt concluded with the declaration of winning teams who successfully solved all clues in the shortest time.

Overall, the event was a grand success, leaving participants with a sense of achievement, excitement, and unforgettable memories.

- **Report on Musical Housie – Meraki 2026**

As part of the vibrant annual fest *Meraki 2026*, the event Musical Housie was successfully conducted on 25th February at KIT College of Engineering (KIT COEK) from 2:00 PM to 5:30 PM. With the lively tagline, *"We are turning up the volume on your favorite game of chance,"* the event offered a unique and entertaining twist to the traditional game of housie.

Musical Housie blended the excitement of music with the classic gameplay of housie. Instead of the regular number-calling format, songs were played, and participants had to identify the corresponding numbers, making the experience more interactive and fun-filled. This creative concept added a refreshing touch and kept participants engaged throughout the event.

Students enthusiastically took part in the activity, creating an energetic and cheerful atmosphere. The venue echoed with music, laughter, and excitement as participants eagerly marked their tickets and waited for their chance to win. The inclusion of popular songs made the game even more enjoyable and relatable for everyone.

The event was well-organized, with clear instructions and smooth coordination by the organizing team. Various winning patterns such as early five, corners, and full house added to the thrill of the game. Winners were rewarded with prizes, which further boosted the excitement among participants.

Overall, Musical Housie proved to be one of the most entertaining events of *Meraki 2026*, successfully combining music and gaming to create a memorable and enjoyable experience for all.

- **Report on Live Concert – Meraki 2026**

The much-awaited live concert of *Meraki 2026* at KIT College of Engineering (KIT COEK) turned out to be a spectacular and memorable event for all attendees. The evening began with *Myntra Glamfest*, where students confidently showcased their style and creativity through an energetic ramp walk. The ramp walk set the tone for the evening, filling the atmosphere with excitement, glamour, and enthusiasm.

Following the Glamfest, the live concert commenced in the evening, featuring the renowned singer Asees Kaur along with her talented team. As she took the stage, the crowd erupted with cheers and excitement. Her soulful voice and electrifying performance captivated the audience, creating an unforgettable musical experience.

The concert continued until 9:30 PM, with students singing along, dancing, and fully immersing themselves in the lively atmosphere. The energy of the crowd, combined with the artist's engaging performance, made the event truly magical. From popular hits to melodious tracks, every moment of the concert was thoroughly enjoyed by everyone present.

Beyond entertainment, the concert held emotional significance for many students. For some, it was their very first college fest experience, filled with excitement and new memories. For others, especially final-year students, it marked their last fest, making the evening even more special and nostalgic.

Overall, the live concert was a grand success, perfectly capturing the spirit of *Meraki 2026*. It brought students together, created lasting memories, and left everyone with a sense of joy, connection, and celebration.
