KIT's College of Engineering (Autonomous) Kolhapur

Indian Society for Technical Education (ISTE) student chapter

Details of Activities conducted in AY 2025-26

Name of Club – Indian Society for Technical Education (ISTE) student chapter

Tagline and Logo -

Establishment Year-

Information about club – Indian Society for Technical Education (ISTE) student chapter under Technical Clubs, is established at the institute to conduct various technical skill upgradation programs, trainings, personality development programs etc. The activities include - technical event Pioneer, expert lectures, hands-on trainings, industry visits etc.

Faculty Coordinator- Mrs. Ashwini Amit Shinde

Student Coordinator-

Core Team-

Sr. No	Name	Department	Designation
1	Aditya Patil	Computer Science & Engineering	Chair-Person
2	Sarthak Jadhav	Civil & Environmental	Secretary
3	Salikahamad Bagwan	E&TC Engineering	Treasurer
4	Riya Pawaskar	Biotechnology Engineering	Sponsorship Head
5	Aishwarya Keswani	CSBS	Technical Head
6	Akash Manwar	CSBS	Abhivyakti Head
7	Tushar Gangadhare	Electrical Engineering	Prakalp Head
8	Digvijay Rajput	Biotechnology	Online Competition
9	Trupti Shendage	Mechanical Engineering	Correspondence &
10	Arya Agrawal	Computer Science & Engineering	Registrations & Campaigning Head
11	Shriyash Dhole	Mechanical Engineering	Printing and publicity Head
12	Atharva Patil	E&TC Engineering	Sponsorship Co-Head
13	Shrawani Choughule	Computer Science & Engineering (AIML&DS)	Technical Co-Head
14	Riya Pawaskar	Computer Science & Engineering (AIML&DS)	Abhivyakti Co-Head
15	Sanskruti Kuchnure	Civil & Environmental Engineering	Prakalp Co-Head
16	Sharayu Jagtap	Civil Engineering	Correspondence Co-Head
17	Atharv Kolape	Civil Engineering	Media/Social media Co-Head
18	Sarvesh Sawant	Electrical Engineering	Campaigning/ Registrations Co-Head

Name of Event : PRAKALP 2026 – Project competition
Date of Event : 21st February 2026

There are 3 Domains of engineering / focus sectors
1. CSE and Allied Branches
2. Electrical/ETC
3. Mechanical/Civil/Biotechnology/ Civil & Environmental/Robotics & Automation/Aeronautics

Objective of Event : The objective of a project presentation competition is to showcase participants ability to effectively communicate and articulate their project's purpose, methodology and outcomes . It fosters the development of essential skills such as public speaking, critical thinking and presentation design. Participants aim to engage the audience, convey the significance of their project and demonstrate its innovative aspects. This competitive platform encourages creativity, professionalism and the ability to distill complex information into a compelling and concise presentation. Overall, the competition promotes excellence in communication and highlights the merits of each project within a competitive framework .

Outcome of the Event : The project presentation competition yielded diverse outcomes as participants showcased innovative ideas and solutions. Judges evaluated based on clarity, creativity, and feasibility. Winners demonstrated exceptional communication skills, addressing queries effectively. Their projects spanned various fields, from technology to social impact, reflecting the competition's interdisciplinary nature. The event fostered knowledge exchange, inspiring participants

and attendees alike. Overall, it highlighted the significance of effective communication and the potential for impactful projects to drive positive change.
Registration Fee : Rs. 200 per participant
Details of Prize : First Prize: Rs.60,000/-
First Runner up: Rs.45,000/-
Second Runner-up: Rs.30,000/-
No. of Registrations : 536 Participants (181 groups)
Details of Judge/Guests:
CSE & Allied Sectors
External Dr. Shashidar Gurav
Dr. Ashish Patil
Dr. Pradeep Khot
Internal - Ms Shubhada Sawakhande
Mrs Sayali Mane
Mr. Pujari Jambukeshwar
ELE/ETC
External: Mr. Sameer Punaskar
Dr. Avdhut R. Telepatil
Internal: Mrs Priyanka Mane
Mr. Vaibhav Khandare
Mechanical/Civil/Environme nt/BioTech/ Robotics/Aeronautics
External: Mr. Sudhir Arali
Mr. Amol B. Chavan
Internal: Dr. Rohit. D. Ghulanavar
Dr. Radhika S. Malkar

Participants Colleges : Leading colleges from all over India.
Name of Winners : Domain 1 – CSE & Allied Sector
Rank I: Samarth Bhirud — Merge Infinity
Rank II: Krish Makadiya — Committed
Rank III: Devansh Kadam — Horizon
Rank III: Vaishnavi Salunkhe — T Rex
Domain 2 – ELECT & ENTC
Rank I: Vedant Prakash Chilbule — Vishwakarma
Rank II: Durgesh Chaudhari — Neurix
Rank III: Harshit Pandey — VJTI DELNE
Domain 3 – MECH/CIVIL/BIO-TECH
Rank I: Joshin Ranedea J S — LeatLancers
Rank II: Shreyash Singh — Silicasense AI
Rank III: Rushikesh Vinay Khedkar — Cloud Crop
Faculty Coordinator : Mr. Arun Desai (CSE)
Mr. Rahul Bhedasgaonkar (Mech.)
Mr. Surendranath Jadhav (Civil)
Mr. Vaibhav Khandare (ETC)
Mr. Sudhir Arali (KIT IRF)
Student Coordinator : Mr. Tushar Gangadhare (ELE)
Ms. Sanskruti Kuchnure (Civil & Env.)

सकाळ

दृष्टिकोन, ज्ञान, कौशल्य यशाची त्रिसूत्री

संजय बाबर : 'केआयटी'त पायोनियर राष्ट्रीय स्पर्धेचे उद्घाटन

■ सकाळ वृत्तसेवा

कंदलगाव, ता. २१ : 'सकारात्मक दृष्टिकोन, ज्ञान आणि कौशल्य हीच भविष्यातील यशाची त्रिसूत्री असेल. त्यामुळे प्रत्येक विद्यार्थ्याने या तीन गोष्टींवर स्वतःला सिद्ध करत उद्योग क्षेत्रामध्ये योगदान देण्यासाठी स्वतःला तयार करावे,' असे प्रतिपादन पुणे येथील कमिन्स इंडिया उद्योगप्रमुख संजय बाबर यांनी केले.

कंदलगाव : केआयटीतील पायोनियर २६ या राष्ट्रीय स्तरावरील टेक फेस्टचे उद्घाटन करताना संजय बाबर. सोबत डावीकडून आदित्य पाटील, डॉ. संदीप देसाई, दीपक चौगुले, डॉ. मोहन वनरोट्टी, डॉ. जितेंद्र भाट, प्रा. अश्विनी शिंदे आदी.

येथील केआयटी अभियांत्रिकी प्रदत्त स्वायत्त महाविद्यालयातर्फे राष्ट्रीय स्तरावरील पायोनियर स्पर्धेप्रसंगी आयोजित कार्यक्रमात ते बोलत होते. देशभरातील १४ राज्यांतून ९० हून अधिक महाविद्यालयातून ६ हजार विद्यार्थी टेक्निकल स्पर्धांमध्ये सहभागी झाले आहेत. १०० हून अधिक उद्योजक व संशोधक स्पर्धेचे मूल्यांकन करण्यासाठी उपस्थित असणार आहेत.

उद्घाटक बाबर म्हणाले, 'नजरेपलीकडील स्वप्ने पाहा, मानसिक दृष्ट्या व शारीरिकदृष्ट्या स्वतःला सक्षम बनवा व अभ्यासक्रमाबाहेरील ज्ञान मिळवण्यासाठी पुढाकार घ्या.'

डॉ. मोहन वनरोट्टी म्हणाले, '२९ वर्षे स्पर्धा सातत्याने आयोजित करताना या स्पर्धा आयोजित करण्याचा मुख्य हेतू विद्यार्थ्यांना स्वतःचे तांत्रिक ज्ञान व कौशल्य व्यक्त करण्यासाठी दिलेली संधी आहे. विविध तांत्रिक प्रश्नांवर अभियांत्रिकीचे विद्यार्थी सकारात्मक विचाराने अत्यंत योग्य असे उत्तर काढू शकतात.' पायोनियर-२६ चे निमंत्रक डॉ. संदीप देसाई यांनी पूर्ण स्पर्धेतील संख्यात्मक तपशील सांगितला. दोन दिवसांत होणाऱ्या मध्यवर्ती ३ स्पर्धा अभिव्यक्ती, प्रकल्प, गेमिंग व विभागनिहाय होणाऱ्या ९ स्पर्धांमधील विद्यार्थ्यांचा सहभाग, पारितोषिके याबाबत तपशीलवार माहिती दिली. बंगळूर, दिल्ली, हरियाणासह नऊ राज्यांतून विद्यार्थ्यांचा सहभाग आहे.

अध्यक्ष साजिद हुदली म्हणाले, 'सध्या भारत एवढ्या मोठ्या प्रमाणामध्ये बदलांना सामोरा जात आहे. कारण तो बदलांना विचारपूर्वक स्वीकारत आहे. बदलांना स्वीकारत प्रगती करत असल्यामुळे तो वास्तवात जगाचे नेतृत्व काही विषयांमध्ये करत आहे.'' सचिव दीपक चौगुले यांच्याहस्ते स्वागत झाले. उद्घाटनप्रसंगी रजिस्ट्रार डॉ. डी. जे. साठे, अधिष्ठाता, विभागप्रमुख, प्राध्यापक, विद्यार्थी मोठ्या संख्येने उपस्थित होते. आयएसटीई स्टुडन्ट चाप्टर विद्यार्थी प्रमुख आदित्य पाटील यांनी आभार मानले.'

यावेळी डॉ. जितेंद्र भाट व सल्लागार प्रा. अश्विनी शिंदे उपस्थित होत्या. मार्गदर्शन प्रभावळकर, रेबेका डिसूजा यांनी सूत्रसंचालन केले. परिचय एंजल तांबे व साक्षी शर्मा या विद्यार्थ्यांनी केले. स्पर्धेचे मुख्य प्रायोजक द फर्न कोल्हापूर,मिन्ट्राडॉटकॉम असून केआयटी- आयआरएफवव्हएमके.३ डी प्रिंटिंग,नेक्सजन, ए.सी. प्रोफेशनल, ध्वजारंभ अँस्ट्रो वास्तू हे सह-प्रायोजक आहेत.

(EMPOWERED AUTONOMOUS)

ज्ञान, कौशल्य व सकारात्मक दृष्टिकोन ही यशाची त्रिसूत्री

संजय बाबर यांचे प्रतिपादन : केआयटी च्या 'पायोनियर' राष्ट्रीय स्पर्धेत देशभरातील १४ राज्यातून ६ हजार तंत्रज्ञानस्नेही विद्यार्थ्यांचा सहभाग

जनप्रवास : कोल्हापूर

ज्ञान, कौशल्य व सकारात्मक दृष्टिकोन हीच भविष्यातील यशाची त्रिसूत्री असणार आहे, असे प्रतिपादन कार्यक्रमाचे मुख्य उद्घाटक म्हणून संजय बाबर यांनी केले. केआयटी अभियांत्रिकी प्रदत स्वायत्त महाविद्यालयातर्फे २१ व २२ फेब्रुवारी रोजी राष्ट्रीय स्तरावरील पायोनियर या स्पर्धेचे आयोजन केले होते. याचे उद्घाटन कमिन्स इंडिया या उद्योगाचे पुणे प्लांट हेड संजय बाबर यांच्या हस्ते झाले. यावेळी बोलत होते

ते म्हणाले, देशभरातील १४ राज्यातून सुमारे ९० हून अधिक महाविद्यालयातून ६ हजार विद्यार्थी या दोन दिवसाच्या काळात होणाऱ्या विविध टेक्निकल स्पर्धामध्ये सहभागी झाले आहेत. १०० हून अधिक उद्योजक व संशोधक या स्पर्धेचे मूल्यांकन करण्यासाठी केआयटी मध्ये उपस्थित असणार आहेत. संस्थेचे संचालक डॉ.मोहन वनरोट्टी यांनी प्रास्ताविक केले. ते म्हणाले, या स्पर्धा आयोजित करण्याचा मुख्य हेतू हा विद्यार्थ्यांना स्वतःचे तांत्रिक ज्ञान व कौशल्य व्यक्त

कोल्हापूर : केआयटीमधील पायोनियर २६ या राष्ट्रीय स्तरावरील टेक फेस्ट अंतर्गत आयोजित केलेल्या प्रकल्प या प्रोजेक्ट प्रदर्शनात विद्यार्थ्यांशी संवाद साधताना संजय बाबर, सोबत साजिद हुदली, दीपक चौगुले, डॉ. मोहन वनरोट्टी.

करण्यासाठी दिलेली संधी आहे. तसेच विविध तांत्रिक प्रश्नांवरती अभियांत्रिकीचे विद्यार्थी सकारात्मक विचाराने आणि योग्य असे उत्तर काढू शकतात, अशा सृजनशील कल्पकांना वाव देण्यासाठीच हा कार्यक्रम आयोजित करत असल्याचे ते म्हणाले. आज स्पर्धांच्या आयोजकांकडून आयोजक विद्यार्थ्यांना सुद्धा अनेक गोष्टींचे भान येते. तसेच दिलेल्या जबाबदारीतून त्यांना बरोच काही शिकता येते असा भावना त्यांनी व्यक्त केल्या. यानंतर पायोनियर-२६ चे निमंत्रक डॉ. संदीप देसाई यांनी पूर्ण स्पर्धेतील संस्थात्मक तयारीत उपस्थितांसमोर ठेवला.२१-२२ फेब्रुवारी या दोन दिवसात होणाऱ्या मध्यवर्ती ३ स्पर्धा अभियंत्रकी,प्रकल्प,गेमिंग व विभागशः होणाऱ्या ९ स्पर्धांमधील विद्यार्थ्यांचा सहभाग, पात्रतेफेरीचे याकरता तयारीतवार माहिती दिली. संपूर्ण स्पर्धेमध्ये एकूण रुपये ५ लाख रोख रकमेची पारितोषिके विद्यार्थ्यांना दिली जाणार असल्याचे त्यांनी सांगितले. या टेकनो उत्सवात आय.आय. टी., एन.आय.टी., विट्सयह महाराष्ट्राच्या खाजगी विद्यापीठे तसेच बेंगलोर, दिल्ली, हरियाणा, आसाम, बिहार,केरळ,कर्नाट, गोवा, गुजरात, मध्यप्रदेश, आंध्रप्रदेश, तेलंगणा या राज्यातून विद्यार्थ्यांचा सहभाग असणार आहे.

संस्थेचे अध्यक्ष साजिद हुदली दिल्लीमधले सुरू असलेल्या जागतिक एआय कार्यक्रमातील प्रश्नाचे अध्यक्ष इलॉन्गुअल मापझोन पांच्या भाषणाचा संदर्भ घेत म्हणाले, संख्या भारत एवढाच मोठ्या प्रमाणामध्ये बदलांना सामोरा जात आहे. कारण तो बदलांना विचारपूर्वक स्विकारत आहे. बदलांना स्विकारत प्रगती करत असल्यामुळे तो यास्तवात जगाचे नेतृत्व काही विषयांमध्ये करत आहे. जर विविध क्षेत्रात होणारे सकारात्मक बदल तुम्ही स्वीकारले नाहीत तर तुमच्या स्वतःच्या व देशाच्या प्रगतीमध्ये मोठा अडसर निर्माण करत आहात, असे मनोगत त्यांनी व्यक्त केले. स्पष्ट दिशा, केंद्रभूत विचार व प्रत्यक्ष योगदान जर केले तर आपला देश नक्कीच विकसित भारत म्हणून लवकरच नावारूपास येईल, अशी आशा त्यांनी व्यक्त केली. उपस्थित सहभागी विद्यार्थ्यांना त्यांनी शुभेच्छा दिल्या. प्रमुख पाहुण्यांचे स्वागत संस्थेचे सचिव दीपक चौगुले यांच्या हस्ते शाल, श्रीफळ व महालक्ष्मीची मूर्ती देऊन झाले.उद्घाटन कार्यक्रमासाठी संस्थेचे रजिस्ट्रार डॉ. डी. जे. खाडे, सर्व अधिष्ठाता, विभाग प्रमुख, प्राध्यापक, विद्यार्थी मोठ्या संख्येने उपस्थित होते.

आय.एस.टी.ई. स्टुडन्ट चाप्टर विद्यार्थी प्रमुख आदित्य पाटील यांनी आभार मानले. याकेवी व्यवस्थेवर अधिष्ठाता विद्यार्थी उपक्रम डॉ. जितेंद्र भट व आयएसटीईच्या स्टुडन्ट चाप्टरच्या प्राध्यापक सल्लागार प्र. अश्विनी शिंदे या उपस्थित होत्या. सूत्रसंचालन मंगलेश प्रभावळकर, रेवेका डिसूझा यांनी केले. तसेच मुख्य अतिथींचा परिचय व उपस्थित कार्यक्रमाचे संचालन एंजल तांबे व साक्षी शर्मा या विद्यार्थ्यांनी केले. कार्यक्रमाची सांगता राष्ट्रगीताने झाली.

"FUELING ENTREPRENEURSHIP THROUGH INNOVATION."
PRAKALP WINNERS

Abhivyakti
A National Level Paper Presentation Event

21st and 22nd February, 2026

The paper presentation event has been successfully carried out in the following three different venues of our institute with broad objectives.

1) KIT IRF conference hall

2) IDEA Lab Seminar Hall

3) E-content Seminar Hall

The primary objective of the said event was to provide a platform for UG, PG, Ph.D. students to engage in academic, professional, and personal development through presentations their own research work as well as sharing their own research ideas.

Apart from this, the major objectives of the event are:

- To provide a prestigious national forum for students, researchers, and academicians to showcase innovative ideas, research findings, and technical advancements.
- To cultivate a robust research culture and scientific temperament by fostering analytical thinking, creative problem-solving, and intellectual curiosity.
- To refine the presentation and communication skills of participants through structured, professional technical paper presentations.
- To facilitate knowledge exchange and academic networking among participants from diverse institutions across the country.
- To inspire students to pursue higher education and advanced research by exposing them to emerging technologies and diverse research domains.
- To bridge the gap between academic theory and practical application by addressing real-world challenges with innovative solutions.
-

Outcome of the Event : In alignment with the event's objectives, we received an overwhelming response from across India. A total of 110 student groups registered for the paper presentations, contributing 110 research papers across both Circuit and Non-Circuit domains. Throughout the event, our Peer Review Committee meticulously evaluated each paper based on the quality of the research and the impact of the presentation.
Registration Fee : Rs. 200/- per participants.

Details of Prize : 1st Prize-Rs. 15000/-

1st Runner up Prize- Rs. 10000/-
2nd Runner up Prize- Rs. 10000/-

No. of Registrations: Total 110 student groups have been registered.

Within the state: 105 student groups
Out of state: 05 student groups
External Evaluators:

1) Dr. Deu Bhange

Associate Professor,
Department of Chemistry, Shivaji University Kolhapur
2) Dr. Santosh Patil

Assistant Professor,
Department of R and D, MIT College, Pune
Internal Evaluators:
1) Dr. Mohammed Bakshi

Assistant Professor, Department of Mechanical Engineering
KIT's College of Engineering (Empowered Autonomous), Kolhapur
2) Dr. Mir Khadim Aalam

Assistant Professor, Department of Electrical Engineering
KIT's College of Engineering (Empowered Autonomous), Kolhapur
3) Dr. K. Akash Anand

Assistant Professor, Department of Civil Engineering
KIT's College of Engineering (Empowered Autonomous), Kolhapur
4) Dr. Abhinandan P. Shirahatti

Associate Professor, Department of Computer Science and Engineering
KIT's College of Engineering (Empowered Autonomous), Kolhapur

5) Dr. Sneha Kagale
Assistant Professor, Department of Biotechnology
KIT's College of Engineering (Empowered Autonomous), Kolhapur

Participants Colleges: The event received an enthusiastic response from across India, with a total of 110 student groups registering for the paper presentations. We received 110 high-quality research papers, which were categorized into two main domains: Circuit and non-circuit domains. We have received 58 and 52 papers for the Circuit and non-circuit domains, respectively. Each submission underwent a rigorous evaluation by our Peer Review Committee during the live presentations.

Name of Winners :

Circuit Domain S. No.	**Prize**	**Participants Name**	**College Name**
1	1st Prize	Saprem Stish Khot	KIT's College of Engineering (Empowered Autonomous) Kolhapur
2	1st Runner up	Neeraj K. Joshi and Team	VJTI and SVKM, Mumbai
3	2nd Runner up	Abhishek Kamble and Team	KIT's College of Engineering (Empowered Autonomous) Kolhapur
Non-Circuit Domain S. No.	**Prize**	**Participants Name**	**College Name**
1	1st Prize	Mansi Shilwani and Team	KLS Gogte Institute of Technology
2	1st Runner up	Saniya Naik	KIT's College of Engineering (Empowered Autonomous) Kolhapur
3	2nd Runner up	Shubham Desai	COE Technological University, Pune

Inauguration of Abhivyakti-Pioneer-2026 by Chief Guest Mr. Sanjay Gakar, Vice President & Plant Head at Cummins India, Mr. Sajid Hudli (Chairman, KIT), Mr. Dipak Ghorpade (Secretary, KIT), Prof. Mohan Vanarotti(Director),and Mrs.Ashwini Shinde(Faculty Advisor Date:24th Feb 2026

Welcoming of Chief Guest Date: 21st Feb. 2026

Felicitation of Judges
Abhivyakti Pioneer-2026

Strange Minds

Date of Event : 22 / 02 / 2026

Name of Department : Biotechnology Engineering Department

Theme of Event and description : Stranger Things Theme –

Round 1 Quiz (Beyond Biology)- 50 questions in 20 minutes.
Round 2 (Strange Visions) – Poster Presentation in 5 to 8 minutes.
Round 3 (The Unknown Minutes) - Extempore

Objective of Event :

To assess participants conceptual understanding of interdisciplinary topics.

To test logical reasoning and time-management skills under pressure.
To encourage quick decision-making and analytical thinking.

Round 1:Beyond biology (Quiz Round)

Round 2: Strange Vision (Poster Presentation)

Round 3: The Unknown Minute (Extempore)

Outcome of the Event : The event enhanced interdisciplinary knowledge, analytical thinking, and problem-solving abilities among students from diverse academic backgrounds. It strengthened communication skills, confidence, and time-management capabilities through quiz, poster presentation, and extempore rounds.

Participants demonstrated creativity, logical reasoning, teamwork, and spontaneous decision-making under time constraints. The event also encouraged innovation, effective presentation skills, and healthy competitive spirit among students while promoting collaborative learning and professional development.

Name of Winners :

1st Prize : Venkatesha Yashwant

2nd Prize : Aryan Dhandwad

3rd Prize: Nakshtra Waskar

Faculty Coordinator: Mrs. Sharvari Chavan, Assistant Professor, Department of Biotechnology Engineering, KITCoEK.

Master Bidder

1 Name of Event : Master Bidder

2 Date of Event : 21st February & 22nd February 2026

3 Name of Department: Department of civil Engineering

4 Theme of Event and description: "Master Bidder 2026" (The Art of Bridge Construction with Limited Budgets) Master Bidder 2026 challenges the traditional technical approach by blending civil engineering principles with economic strategy and project management. The event simulates a real-world construction environment where participants must strategically procure materials and execute a building task. Divided into three distinct rounds, the competition tests not only structural knowledge but also financial acumen and negotiation skills, mirroring the challenges faced by real-world contractors and project managers.

5 Objective of Event:

• Enhance understanding of material properties and construction costs.

• Develop strategic thinking through budget allocation and resource management.

• Foster teamwork and time management skills are under pressure.

• Bridge the gap between academic knowledge and practical industry applications, specifically in project bidding and execution.

6 Outcome of the Event :

• A deeper understanding of how financial constraints impact design and construction choices.

• Improved problem-solving abilities, particularly in optimizing structures with limited resources.

Registration Fee : ₹300 per group (Maximum of 4 participants per group.)

Details of Prize : 1st Prize: ₹ 5,000/-, 2nd Prize: ₹ 3,000/-, 3rd Prize: ₹ 2,000/-

No. of Registrations : 113 Groups Total Participants: 452 Students

Name of Winners :

1st Prize Winner:

(Venkatesh Malgave, Vedant Patel, Tanishk Shelake, Pandhari Thakarey)

2nd Prize Winner:

(Avdhoot Ghorapade, Aditya Joshi, Sawan, Nitin Kumar)

3rd Prize Winner:

(Vedant Patil, Harshwardhan Patil, Parth Powar, Sairaj Suryawanshi)

Faculty Coordinator : Mr. Omkar Suryawanshi

Student Coordinator : Mr. Sujal Konduskar

Envision 2026

Name of Event : Envision 2026

Date of Event : 22nd February 2026

Department : Department of Civil & Environmental Engineering

Theme of Event and Description

ENVISION 2026 is a national-level technical event organized under the EN4S Club of the Department of Civil & Environmental Engineering, KITCOEK. The event provides a platform for students to present innovative ideas, prototypes, and working models focused on environmental sustainability and engineering solutions.

Objectives of the Event

. Encourage students to present innovative ideas related to environmental sustainability.

. Provide a platform for knowledge exchange between students and faculty.

. Promote awareness about renewable energy, waste reduction, and biodiversity conservation.

. Develop creativity, teamwork, and problem solving skills among students.

Outcomes

Exposure to innovative environmental technologies and sustainable solutions.

Practical understanding through prototype demonstrations and working models.

Interaction with students from different institutions.

Experience in presenting technical ideas and concepts.

No. of Registrations: 61 Groups . Total Participants: 244

Details of Judges: Amol Kulkarni, Mahindra kothuri

Name of Winner

1st Prize Winner : Kajal Giri

2nd Prize Winner: Samiksha Sawant

3rd Prize Winner : Rutesh Vharambale

Faculty Co-ordinator : Mr. Prasad Jadhav

Student Co-ordinate : Rajvardhan Singh

Beyond Resume

Name of Event: Beyond Resume

Date of Event: 22nd FEB 2026

Name of Department: Department of CSE (AIML & DS) Improve aptitude, communication, and interview skills through structured rounds.

Offer career guidance from industry experts.

Help students build confidence and professionalism for actual placement drives.

Provide certifications and scholarships to encourage skill development.

Theme of Event: The Beyond Resume event is a one-day mock campus recruitment experience designed to help students enhance their placement readiness. It includes an aptitude test, group discussion, and one-on-one HR interview, along with career guidance from experts.

Objective of Event: The Beyond Resume event is to enhance students' placement readiness by providing a real-world mock recruitment experience. It aims to:

Outcome of the Event: The outcomes of the Beyond Resume event include:

- Enhanced Placement Readiness: Participants gain hands-on experience with aptitude tests, group discussions, and HR interviews.
- Improved Communication & Interview Skills: Practical exposure helps students refine their responses and body language.
- Career Guidance: Insights from experts help students align their career goals.

No. of Registrations: 1,003

Name of Winners: Winner: Mr. Vinayak Basappa Urmanhattti KITCoEK, CSBS, TY
1st Runner up: Mr. Niranjan Balkrishna Pawar, KITCoEK, CSE, TY
Best Apti Performer: Ms. Sanika Chandrakant Omase, KITCoEK, CSE(AI/ML)
Faculty Coordinator: Mrs. Sharvari Chavan
Student Coordinator: Mr. Tanish Patgaonkar

Rush to Green

Name of Event : Rush to Green – EcoMon Go

Date of Event : 21st February

Name of Department : Electrical Engineering

Theme of Event and description :

The theme of the event was **Renewable Energy and Sustainable Innovation**. "Rush to Green – EcoMon Go" was a technical event designed around the concept of renewable energy sources represented through creative EcoMon characters — Solaron (Solar), Ventrix (Wind), Hydronix (Hydro), Biotron (Biomass), and Geotherma (Geothermal).

The event consisted of three technical rounds:

EcoCore Knowledge Test – Technical aptitude and renewable energy-based MCQ test.

EcoMon Battle Arena – Competitive technical problem-solving round.

EcoLab Evolution – Circuit building round where participants built circuits using provided diagrams and components.

Objectives of Event :

To promote awareness about renewable energy sources.

To enhance technical knowledge and practical skills of students.

To encourage teamwork, innovation, and problem-solving ability.

To bridge theoretical concepts with practical implementation.

Outcome of the Event :

Students gained practical exposure through circuit-building activities.

Increased awareness about sustainable and green energy solutions.

Improved confidence in technical presentation and teamwork.

Strengthened inter-college technical collaboration.

No. of Registrations : 141 Teams

Name of Winners :

Winners (1st Prize):

Ganesh Suresh Jadhav

Siddharth Vikram Patil

Tushar Rajaram Maske

Electrical Engineering, KITCoEK

1st Runner-Up:

Sahil Sadashiv Nagtile

Parth Tukaram Khadake

Shreyash Sadashiv Nalawade

Electronics and Telecommunication (EnTC) Engineering, KITCoEK

2nd Runner-Up:

Radha Pravin Parkar

Devanshu Vijay Ghodekar

Computer Science and Engineering (CSE) , KITCoEK

Faculty Coordinator : **Prof. Aishwarya S. Dandekar**

Student Coordinator : **Mr. Avadhut Rajaram Nimbalkar**

KOLHAPUR INSTITUTE OF TECHNOLOGY'S COLLEGE OF ENGINEERING KOLHAPUR (EMPOWERED AUTONOMOUS)

IDEA-FORGED 2026

Name of Event : IDEA-FORGED 2026

2 Date of Event : 21-02-2026

3 Name of Department : Electronics and Telecommunication Engineering

4 Theme of Event and description :

• Theme : "**Ignite. Forge. Innovate."**

• Description : Idea-Forged is a national-level technical innovation competition that challenges participants to conceptualize and develop impactful engineering solutions.

Organized by the Department of Electronics & Telecommunication Engineering, the event provides a platform for students to transform creative ideas into practical implementations.

The competition unfolds in two elimination rounds:

Round 1 – Ignite the Idea:

Teams present a novel and technically sound idea addressing a real-world problem.

Round 2 – Forge the Solution:

Shortlisted teams further develop their concept into a detailed solution, prototype, or implementation model.

The event encourages interdisciplinary innovation across domains such as IoT, Robotics, Mechatronics, Electronics, Embedded Systems, Hardware, Software, and Tech-driven Business solutions.

Objective of Event :

Idea-Forged aims to inspire students to transform innovative ideas into practical engineering solutions. The event encourages creative problem-solving, technical excellence, and teamwork while addressing real-world challenges. It seeks to bridge the gap between conceptual thinking and real-time implementation, fostering a spirit of innovation and entrepreneurship.

Outcome of the Event :

Idea-Forged turned out to be a highly engaging and successful event, with 113 teams actively participating and presenting a wide range of innovative ideas. The enthusiasm and creativity displayed by the students were truly commendable. The competition not only encouraged technical thinking but also helped participants improve their presentation skills, teamwork, and practical approach toward problem-solving. Overall, the event created an inspiring environment that motivated students to think beyond the classroom and work towards real-world solutions.

No. of Registrations : 113 Groups, 452 Individuals
Name of Winners : 1st Prize : Swapnil Sandip Gangate
2nd Prize : Naeem Naikwadi
3rd Prize : Isha Patil

Faculty Coordinator : Mr. Shubham Kumar Ojha

16 Student Coordinator : Viraj More

TechNexus

Name of Event : TechNexus

Date of Event : 21st February, 2026

Name of Department : Department of Mechanical Engineering

Theme of Event : Formula 1 (F1)

Objective of Event: To enhance students' knowledge, critical thinking communication, and presentation skills through Quiz, Debate, and Presentation rounds.

Outcome of the Event: i.Enhances technical skills

ii. Builds leadership, time management

iii. Enhances presentation skil

No. of Registrations : 354 (218 group and 157 singles)

No. of Students Participated : 795 participant's

Name of Winners: 1st – Verbal Warriors

2nd –Team anup.

3rd – Tech Titans

Faculty Coordinator : Mrs. Ashwini Chougule (Faculty Coordinator, MESA)

(Contact No. 8624813812)

Mrs. Jahida K. Khan (Departmental Event Coordinator)

(Contact No. 9922649594)

Student Coordinator : Mr. Mayank Gulavani (Contact No. 9130038661) & Mr. Prasad Gharpnkar (Contact No. 95118 18140)

Technegotia

Name of Event : **Technegotia**

Date of Event: 21st February 2026

Name of Department: Computer Science and Business Systems

Theme of Event and description: Pixel Theme

Objective of Event:

To enhance students' strategic thinking, problem-solving, and negotiation skills through a competitive technical platform.

Outcome of the Event:

The event successfully enhanced participants' strategic thinking, problem-solving, teamwork, and negotiation skills while encouraging innovation and healthy competition.

Registration Fee: Rs.300/- per team

Details of Prize : 1st - 5000/- and Trophy
2nd - 3000/- and Trophy
3rd - 2000/- and Trophy

No. of Registrations: 221 teams (756 participants)

Details of Event Rules and Regulations:

Round 1 - Beginner's Quest Problems are shared 1 day before. Teams select one problem (first come, first serve). Only 10 teams per problem. Teams submit a PPT or report.

Round 2 - Trader's Path Selected teams advance. Investors get virtual credits and invest in ideas they like. Top-invested teams qualify for the final.

Round 3 - Hero's Trial Finalists receive an on-the-spot problem. Teams prepare quickly and present. Judges decide the winners. Judges' decision is final.

Name of Winners:

1st Prize - Sakshi Kumbhar (Money Heist) - DYP Bawda (8261851591)

2nd Prize - Sapna Yalmar (Strategy Sparks) - KIT IMER (8801150808)

3rd Prize - Sakshi Kamble (Next Gem Innovators) - DKTE (9763454496)

Faculty Coordinator : Mrs.Yashaswini Kadhiyal

Student Coordinator : Parth Gote (CABSSA President)

TECH-NEGOTIA

Stranger Code: Escape the Upside Down

Name of Event: Stranger Code: Escape the Upside Down.

Date of Event: 21st February 2026

Name of Department: Computer Science and Engineering

Theme of Event: Stranger Things

Objective of Event: The objective of **Stranger Code: Escape the Upside Down** is to provide students with a competitive platform to test and enhance their problem-solving abilities, logical thinking, and programming skills. The event focuses on improving participants' aptitude, puzzle-solving capabilities, and coding proficiency, which are essential for technical interviews and placement preparation. Through multiple elimination rounds, the competition encourages students to develop analytical thinking, time management, and algorithmic problem-solving skills while promoting excellence in technical knowledge and innovation.

6. **Outcome of the Event:** The event helped participants strengthen their logical reasoning, coding abilities, and analytical thinking. Students gained hands-on experience solving real programming problems under time constraints, which is beneficial for technical interviews and competitive programming. Also created an engaging learning environment that promoted teamwork, creativity, and continuous learning while connecting students from various institutions interested in technology and programming.

Registration Fee: Rs. 100/-

Details of Event:

Stranger Code: Escape the Upside Down was a coding competition organized by the **Department of Computer Science and Engineering** under **Pioneer 2026**. The event consisted of **three elimination rounds**: Aptitude, Puzzle with Pseudocode, and Coding. Participants solved **40 aptitude questions**, **40 puzzle/pseudocode questions**, and finally **6 coding problems** using **C, C++, Java, or Python**. The event aimed to test students' **logical thinking, problem-solving skills, and programming abilities**

No. of Registrations: 609

Name of Winners: a. Winner – Maitreyee Budhale.

b. 1st Runner-Up – Rehan Shaikh.

c. 2nd Runner-Up – Shivam Korpade.

Faculty Coordinator: Mr. Anesh Kshirsagar

Student Coordinator: 1. Tanishk Jadhav 2. Dhanashree

Mrs. Ashwini Shinde
