Name of Club – Lead India

Tagline and Logo - अहर्निशं जागरणीयम् लोकहितं मम करणीयम्

Establishment Year-2014

Information about club –

Lead India is a student-driven platform established in 2014 at KITCOEK College with the aim of guiding and motivating aspirants of competitive examinations such as MPSC and UPSC. The club provides a dynamic environment for students to enhance their general awareness and analytical skills through activities like quiz competitions, including Vidman. It also organizes interactive sessions with esteemed government officers such as IAS, IPS, and IPos , offering valuable insights into civil services. At the time of its establishment, the faculty coordinator was Assistant Professor Amit Vaidya, whose guidance laid a strong foundation for the club. Currently, it is efficiently coordinated by Dr. Priyanka Mane, continuing its mission of inspiring and shaping future civil servants.

1) Name of the Activity : Introduction session for new members

Date of Activity : (10/10/2025)

Summary of Activity:

An introductory session was conducted by Team Lead India to welcome and orient newly recruited volunteers. The primary objective of the session was to familiarize them with the club's vision, mission, and key activities. It also served as an icebreaker, where volunteers introduced themselves and interacted with fellow members, helping build a sense of comfort and teamwork. The core agendas, objectives, and upcoming plans of the club were clearly explained to ensure alignment. Overall, the session created an engaging environment, encouraged active participation, and helped new members feel confident, informed, and connected to the

2) Name of the Activity : Building OLQs through Daily Routine (GD)

Date of Activity : (31/10/2025)

Summary of Activity:

The group discussed how Officer Like Qualities (OLQs) are not merely inborn traits but can be systematically developed through disciplined daily routines. Key points included maintaining physical fitness, time management, consistency, and a positive attitude. Participants emphasized that small daily habits like regular exercise, reading, leadership in group activities, and self-discipline gradually build qualities like responsibility, confidence, and decision-making ability. Overall, the group agreed that consistent effort in daily life plays a crucial role in shaping an individual into an officer-like personality.

3) Name of the Activity : Online Quiz

Date of Activity : (19/11/2025)

Summary of Activity :

Team LEAD INDIA organized an online quiz named "LEAD INDIA – Online Quiz" to assess students' knowledge for UPSC preparation. The quiz was conducted through Google Form on 14th November 2025 from 5:00 PM to 5:30 PM. A total of 25 questions were asked from subjects like Polity, History, Economy, Geography, Science, Current Affairs, and Logical Reasoning. The timed test helped improve time management, critical thinking, and quick recall of concepts. It also provided students with an opportunity for self-assessment and identifying areas for improvement.

4) Name of the Activity : Attack on Venezuela by USA and its global impacts

Date of Activity : (15/01/2026)

Summary of Activity :

On 3 January 2026, the United States launched a large-scale military operation in Venezuela targeting the capital city Caracas. The operation resulted in the capture of Venezuelan President Nicolás Maduro and his transfer to the United States on criminal charges related to narco-terrorism and drug trafficking. Following this, the U.S. announced a transition plan involving new leadership and increased American influence over Venezuela's oil sector.

5) Name of the Activity : Interaction with Super Seniors

Date of Activity : 29/01/2026

Summary of Activity :

Team Lead India conducted an online interaction session on 29 January 2026 through Google Meet with super senior Prathamesh Vidhate. The session focused on guidance for competitive exam preparation and doubt clearing. Students actively asked questions about study strategies, time management, and useful resources. Prathamesh shared his preparation methods, personal experiences, and practical tips, which motivated students and helped them improve their preparation approach and career planning.

5) Name of the Activity : Guidance related to Competitive exams

Date of Activity : (31/01/2026)

Summary of Activity :

An interactive session was conducted on Saturday, 31 January 2026 through the Team LEAD India platform featuring Prof. Rajkumar Patil from Vidya Prabodhini, Kolhapur. The session aimed to create awareness among students about various administrative posts and

competitive examinations. Students received basic guidance regarding career opportunities, preparation methods, and the importance of competitive exams. The session was interactive and informative, helping students gain valuable knowledge and motivation for future career planning.

Photographs –

6) Name of the Activity : Quiz Competition (Vidman)

Date of Activity : (06/02/2026)

Summary of Activity :

VIDMAN Quiz Competition 2026 was a General Knowledge and CSAT-based competitive event organized to enhance students' analytical thinking and awareness. The event received an overwhelming response, with nearly 1000 students registering and around 500 actively participating. It was conducted as an objective-type examination with 45–50 questions and included negative marking. The duration of the quiz was 45–60 minutes, and participation was completely free, ensuring accessibility for all students.

Photographs –

7) Name of the Activity : Debate on Democracy

Date of Activity : (13/02/2026)

Summary of Activity :

Democracy is a system of government in which the people choose their leaders through elections. It supports freedom, equality, and participation of citizens in decision-making. It allows peaceful transfer of power and makes the government accountable to the public.

However, democracy also has some drawbacks such as slow decision-making, corruption, influence of money and power, and the possibility of uninformed voting due to illiteracy.

In conclusion, democracy is considered the best form of government despite its limitations because it ensures people's rights and freedom. Its success depends on responsible citizens and strong governance systems.

Photographs –

8) Name of the Activity : Discussion about our ancient sages

Date of Activity : (26/02/2026)

Summary of Activity :

A discussion was held on 27 February 2026 about the contributions and teachings of ancient Indian sages. The session highlighted how sages played an important role in shaping India's cultural, spiritual, and intellectual heritage.

Ancient sages such as Maharishi Veda Vyasa, Patanjali, Gautama Buddha, and others contributed greatly to philosophy, education, medicine, yoga, and literature. Their teachings focused on values like truth, discipline, self-control, non-violence, and harmony with nature.

The discussion also emphasized how ancient texts like the Vedas, Upanishads, and epics such as the Mahabharata and Ramayana continue to guide moral and ethical living even today.

In conclusion, the session helped students understand that the wisdom of ancient sages is still relevant in modern life and encourages us to follow a balanced and value-based lifestyle.

Photographs –

9) Name of the Activity : Conflict (wars) around the world and their impact on India

Date of Activity : (06/03/2026)

Summary of Activity :

We mainly covered tensions between Pakistan and Afghanistan, the United States, Israel, and Iran, China and Taiwan, and the Russia–Ukraine war.

We also talked about civil wars happening in different countries and how they are causing instability and migration.

After that, we discussed how these conflicts affect India. We understood that the major impacts are rising fuel prices, increase in inflation, disturbance in trade, and challenges in agriculture due to shortage of food and fertilizers. We also noted the safety concerns of Indians living abroad and the security challenges for our country.

Finally, we concluded that even though these wars are not directly happening in India, they have a significant indirect impact. So, India needs strong foreign policy, energy security, and focus on self-reliance.

Photographs –

10) Name of the Activity : Extempore

Date of Activity : (13/03/2026)

Summary of Activity :

The Extempore activity organized by the Lead India club was an engaging and thought-provoking event aimed at enhancing students' communication and critical thinking skills. Participants were given topics on the spot and were required to express their ideas confidently within a limited time. This activity helped students improve their spontaneity, clarity of thought, and public speaking abilities, which are essential for competitive exams and personal development. The event also created a positive learning environment where students could overcome stage fear and gain confidence. Overall, the extempore session was a successful initiative that encouraged active participation and contributed to the holistic development of students.

Photographs –

11) Name of the Activity : Interaction with Harshvardhan Pati

Date of Activity : (18/03/2026)

Summary of Activity :

An interactive session was conducted through the Team LEAD India platform featuring Harshvardhan Patil (AIR 349, UPSC CSE 2025), a proud alumnus of KIT College.

He completed his engineering in the Mechanical Department and was an active member of the Shourya Club. After graduation, he cleared the AFCAT (Air Force Common Admission Test); however, he could not continue further due to not qualifying in the medical examination.

He then joined TCS (Tata Consultancy Services) and worked for nearly two years. During this period, he developed a strong interest in civil services. Later, he left his job and dedicated two full years exclusively to UPSC preparation. His consistent efforts led to success in his third attempt, where he secured All India Rank 349.

Photographs –

12) Name of the Activity : PPDT

Date of Activity : (10/04/2026)

Summary of Activity :

A PPDT session was conducted on 10 April 2026 as part of personality and communication skill development activities. In this test, participants were shown a picture for a short duration and were asked to observe, perceive, and then narrate a meaningful story based on it.

The activity aimed to evaluate observation skills, imagination, clarity of thought, and group discussion abilities. Each participant first wrote their individual story, and later a group discussion was held to arrive at a common storyline

The session encouraged teamwork, confidence in speaking, and the ability to listen and present ideas effectively. It also helped in improving quick thinking and structured communication under time pressure.

In conclusion, the PPDT activity was useful in enhancing analytical thinking, communication skills, and overall personality development of the participants.
