KIT's College of Engineering Kolhapur (Empowered Autonomous), Kolhapur

National Service Scheme (NSS)

Details of Activities Conducted in A.Y. 2025-26

Name of Club: National Service Scheme (NSS)

Tagline: *Not Me But You*

Establishment Year: - 24 September 1969

Information about club:

Establishing the National Service Scheme (NSS) was a visionary move by the Government of India in 1969, aimed at bridging the gap between students and the community. Inspired by the ideals of Mahatma Gandhi, the program's motto is "Not Me, But You." Here is a breakdown of the aims, objectives, and the diverse activities that define the NSS.

1. Aims and Objectives

The primary focus of NSS is the personality development of students through voluntary community service. It seeks to instil a sense of social responsibility and national integration.

Core Objectives:

- Social Consciousness: To understand the community in which they work and identify its needs and problems.
- Problem Solving: To develop among themselves a sense of social and civic responsibility and find practical solutions to individual and community problems.
- Leadership Skills: To acquire leadership qualities and a democratic attitude.
- National Integration: To promote a sense of oneness and bridge the divide between different sections of society.
- Skill Development: To develop the skills needed for mobilization of community participation.

2. Regular Activities (Throughout the Year)

Students (volunteers) are expected to complete 120 hours of service annually for two years. These activities usually happen on weekends or after college hours.

Category	Typical Activities
Health & Hygiene	Blood donation camps, immunization drives, and awareness about sanitation (Swachh Bharat Abhiyan).
Environment	Tree plantation (Van Mahotsav), plastic waste management, and water conservation projects.
Education	Adult literacy classes, tutoring underprivileged children, and digital literacy workshops.
Social Issues	Awareness campaigns against drug abuse, child marriage, and gender-based discrimination.
Infrastructure	Minor construction projects like levelling playgrounds or cleaning local ponds and monuments.

3. Special Camping Program

A major highlight of the NSS is the 7-day Special Camp, usually organized in a rural village or an urban slum.

The Goal: Volunteers live among the community members, share their lifestyle, and work on a specific project that leaves a lasting impact on the locality.

- Village Adoption: NSS units often "adopt" a village for 3–5 years to ensure sustained development.
- Surveying: Conducting socio-economic surveys to help local government bodies understand the demographics.
- Cultural Exchange: Evening programs where students and villagers perform together, fostering a deep cultural bond.

4. National-Level Activities

The NSS isn't just local; it offers opportunities for students to represent their institutions on a grander scale:

- Republic Day Parade Camp: A prestigious camp in New Delhi where selected volunteers march on Kartavya Path.
- National Integration Camps (NIC): Bringing volunteers from different states together to celebrate India's diversity.
- Adventure Camps: Activities like trekking, paragliding, and basic mountaineering to build physical endurance and team spirit.

Benefits for Students

Beyond the altruistic satisfaction, being an NSS volunteer offers tangible rewards:

1. NSS Certificate: Highly valued for higher education admissions and government job applications.
2. Personality Growth: Improved communication, crisis management, and public speaking skills.
3. Networking: Opportunities to meet people from diverse backgrounds and professional fields.

KIT Campus Cleanliness Program

Date: Wednesday, 8 October 2025

Time: 3:30 PM to 5:00 PM

Introduction

The National Service Scheme (NSS) unit of KIT College organized a campus- wide cleanliness drive on 8th October 2025. This initiative was undertaken in accordance with the Government of India's cleanliness movement, which emphasizes the importance of maintaining hygiene, promoting sustainability, and creating plastic-free surroundings.

The idea behind the program was to encourage students and staff to dedicate at least one hour to cleaning their surroundings on a regular basis. The campaign aligns with the broader vision

of *"Swachh Bharat Abhiyan"*—a mission launched to achieve a cleaner, greener, and healthier nation. NSS volunteers actively participated in this program to contribute towards building a sense of civic responsibility and environmental awareness.

Objective

The *"Campus Cleanliness"* campaign was not just about cleaning the campus but also about cultivating a sense of ownership and discipline among students towards cleanliness. The main objectives were:

1. **To create awareness** about the importance of cleanliness and hygiene among students and faculty.

2. **To promote a plastic-free environment** by collecting and disposing of plastic waste in an eco-friendly manner.

3. **To instill a sense of responsibility and teamwork** among NSS volunteers through active participation in social welfare activities.

4. **To support the Government of India's mission** of achieving a "Swachh Bharat" through community involvement.

5. **To inspire behavioral change** among individuals, encouraging them to maintain cleanliness not only in college but also in their personal surroundings.

Program Details

The event began in the evening with a short inauguration session in the main college quadrangle. The NSS Program Officer addressed the volunteers and highlighted the significance of the *"Campus Cleanliness"* campaign. The volunteers were then divided into several groups, each assigned specific areas within the campus, such as:

- KIT Boys Hostel, KIT Girls Hostel
- Main Building
- Library, Gardens and parking areas
- Mechanical , Civil Departments

Each group was provided with gloves, masks, brooms, dustpans, and waste collection bags.

The volunteers enthusiastically participated in cleaning their designated zones. They collected plastic bottles, wrappers, paper waste, and other non-biodegradable materials scattered across the premises.

The collected waste was then sorted into **biodegradable** and **non- biodegradable** categories. Plastic waste was safely sent for disposal in accordance with eco-friendly practices. NSS volunteers also displayed banners and posters with slogans promoting cleanliness and discouraging plastic use.

Conclusion

The *Campus* Cleanliness Drive proved to be a meaningful and successful initiative conducted by the NSS unit of KIT College. The enthusiasm and dedication of the volunteers made the event not only impactful but also inspiring for others.

The campaign emphasized that **cleanliness is a collective duty** and that every individual must contribute to keeping their surroundings clean and plastic-free. It also reminded everyone that small steps taken by individuals can lead to significant national change.

The event concluded with a reaffirmation of the slogan:

"स्वच्छता ही सेवा है, गंदगी जानलेवा है। हर नागररक का हो ये सपना, स्वच्छ हो सम्पूर्ण भारत अपना।"

This message beautifully captured the essence of the day — that cleanliness is not merely a task but a service to the nation. The NSS volunteers pledged to continue this spirit of service and maintain cleanliness as a lifelong practice.

KOLHAPUR INSTITUTE OF TECHNOLOGY'S COLLEGE OF ENGINEERING KOLHAPUR (EMPOWERED AUTONOMOUS)

NSS Sendoff Function of Senior NSS Volunteers and Welcome Function of New NSS Volunteers

DATE OF PROGRAM: 11 October 2025, Saturday Time: 3:30 PM to 4:15 PM

Introduction

The National Service Scheme (NSS) Unit of **KIT's College of Engineering (Autonomous), Kolhapur** organized a special program to bid farewell to senior NSS volunteers and warmly welcome the newly enrolled volunteers. The event aimed to recognize the valuable contributions of outgoing volunteers and inspire the new members to continue the legacy of service with dedication and enthusiasm. The program reflected the true spirit of NSS, which focuses on community service, leadership development, and social responsibility.

Objectives

The main objective of the program was to appreciate and honor the senior volunteers for their sincere service and active participation in NSS activities throughout their journey. Another important goal was to introduce the newly enrolled volunteers to the vision, mission, and values of NSS. The program also aimed to motivate the new members by sharing the real-life experiences and learnings of senior volunteers. In addition, it helped strengthen the bond of teamwork, discipline, and unity among both senior and new NSS volunteers.

Program Details

The program was smoothly conducted and anchored by the existing NSS volunteers, who ensured proper coordination and active participation throughout the event. The occasion was graced by **Chief Guest Dr. Shivaji Pawar**,
Medical Officer, Seva Bharti, Ichalkaranji, along with Registrar Dr.

Dr. D. J. Sathe. Both dignitaries addressed the gathering and spoke about the importance of social service and the role of NSS in shaping responsible and compassionate youth. They encouraged students to actively participate in community service and contribute towards the betterment of society.

During the ceremony, certificates were presented to the senior NSS volunteers in recognition of their dedication and active involvement in various social outreach programs such as blood donation

camps, cleanliness drives, rural camps, and environmental awareness activities. Their continuous efforts and commitment to social service were appreciated by everyone present at the event.

Additionally, trophies were awarded to a few outstanding volunteers who had shown exceptional dedication and leadership in NSS activities. These awards served as a recognition of their hard work and also as motivation for other volunteers.

The senior volunteers also shared their memorable experiences and reflections from their NSS journey. They spoke about how NSS activities helped them develop leadership skills, teamwork, discipline, and a deeper understanding of social responsibility. They also expressed their gratitude to the faculty coordinators and the entire NSS team for their constant support and guidance.

The newly enrolled NSS volunteers were warmly welcomed into the NSS family and encouraged to follow the motto **"Not Me, But You,"** which represents the spirit of selfless service and commitment to society.

Conclusion

The Send-off and Welcome Function proved to be a meaningful and inspiring event for all the volunteers present. It served as a platform to recognize the dedication of senior volunteers while motivating the new members to continue the mission of NSS with enthusiasm and responsibility.

The program strengthened the sense of unity, teamwork, and commitment among the volunteers and highlighted the importance of serving society with compassion and sincerity. Overall, the event successfully reflected the core values of NSS and encouraged students to work towards building a better and more responsible society.

Guest Lecture on Importance of Organ Donation DATE OF PROGRAM: 11 October 2025, Saturday

TIME: 4:15 PM – 5:00 PM

Introduction

The National Service Scheme (NSS) Unit of KIT's College of Engineering (Autonomous), Kolhapur organized an informative Guest Lecture on the "Importance of Organ Donation." The purpose of this session was to educate students about the life-saving potential of organ donation and to create awareness about its social, ethical, and medical significance. The lecture aimed to inspire students to develop a positive attitude toward organ donation and encourage them to spread awareness in society.

Objectives

The main objective of the lecture was to create awareness about the importance of organ donation and how it can help save multiple lives. The session also aimed to explain the medical, legal, and ethical aspects related to organ transplantation. Another goal was to motivate students and NSS volunteers to develop a responsible and supportive attitude toward organ donation. The lecture also encouraged students to actively participate in health awareness campaigns and social initiatives related to organ donation.

Program Details

The session was graced by **Chief Guest Dr. Shivaji Pawar, Medical Officer, Seva Bharti, Ichalkaranji**, who was warmly welcomed and introduced to the audience. Dr. Pawar was appreciated for his valuable contributions to community healthcare and social welfare. During his lecture, he delivered an inspiring and informative talk on the importance of organ donation. He explained how a single organ donor can save the lives of several patients suffering from serious medical conditions. Through real-life examples and experiences from his medical practice, he helped students understand the emotional and social impact of organ donation on families and society.

Dr. Pawar also explained important medical concepts related to organ donation such as **brain death, cardiac death, living donors, deceased donors, organ compatibility, and donor registration**

systems. He highlighted the legal and ethical guidelines for organ donation in India, helping students understand the process clearly. In addition, he discussed the future scope of organ donation and emphasized the need to increase awareness in both urban and rural areas. He also mentioned the role of advanced medical technologies and improved healthcare systems in promoting successful organ transplantation.

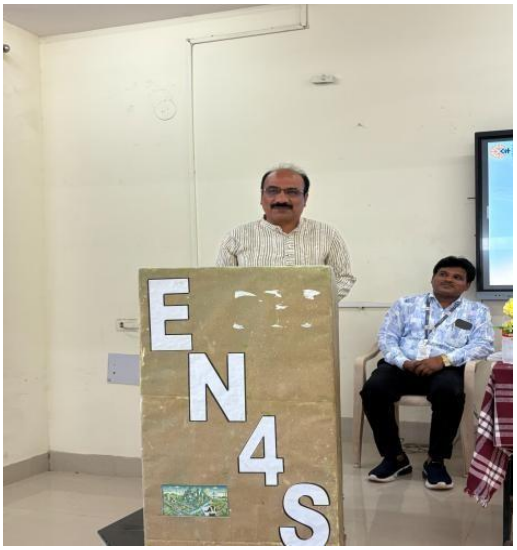

Interaction with Students

The lecture concluded with an interactive question-and-answer session, where students actively participated and asked questions about eligibility for organ donation, registration procedures, and common misconceptions related to the topic. Dr. Pawar patiently addressed each question and encouraged students to spread awareness about organ donation in their communities.

Conclusion

The guest lecture on “Importance of Organ Donation” by Dr. Shivaji Pawar proved to be a highly informative and inspiring session for all the students. His practical insights, real-life experiences, and motivational message encouraged students to think positively about organ donation and understand its importance in saving lives.

KOLHAPUR INSTITUTE OF TECHNOLOGY'S COLLEGE OF ENGINEERING KOLHAPUR (EMPOWERED AUTONOMOUS)

राष्ट्रीय सेवा योजना NATIONAL SERVICE SCHEME

CAMP AT KASABA WALVA VILLAGE

DATE OF PROGRAM: 18th to 24th January 2026

As a part of outdoor social service NSS unit had organized one-week special camp from 18th to 24th January 2026 at Kasaba Walva village in Kolhapur district. Out of 100 volunteers, 50 volunteers participated in the special camp. Different types of activities were conducted during the special camp. During the camp, the volunteers explored various social issues from a practical perspective. They contributed in the expectations of the local government. The programs like guest lectures, lectures on health care, home minister, rangoli competition, KIT's team Gaganvedhi sky observation activity, village cleanliness program, street plays on the themes of various social issues, and the rally in village were also organized.

Cemetery Cleanliness Program: 19 January 2026

The day began with a Cemetery Cleanliness Program from 8:00 AM Volunteers took part in cleaning and maintaining the village cemetery, removing unwanted vegetation, and restoring the site to a respectable state.

Rangoli Competition: 19th January 2026

In celebration of a rangoli competition for women was conducted from 1:00 AM to 5:00 PM. Women from different age groups participated enthusiastically, creating vibrant and meaningful rangoli designs that reflected cultural themes and messages of unity.

Guest Lecture on Today's Generation and the Role of Social Media in Society

- by Dr. Navnath Walekar

Date: 19 January 2026 **Time: 7.00 pm**

An awareness program on **Today's Generation and the Role of Social Media in Society** was conducted at the **Bhaveshwar Temple premises**. The session was guided by **Dr. Navnath Walekar** , who explained the growing impact of social media on youth and society. He emphasized the responsible use of social media and the need to reduce mobile dependency among children. The program also focused on online safety, including protection from fraud and misinformation. The guidance encouraged parents and youngsters to use social media positively for education and personal development.

KOLHAPUR INSTITUTE OF TECHNOLOGY'S COLLEGE OF ENGINEERING KOLHAPUR (EMPOWERED AUTONOMOUS)

Village Cleanliness Campaign

Date: 20 January 2026 **Time: 08.00 am**

The village cleanliness campaign was held on 20 February 2026. All the NSS volunteers were split into different groups and given the specific areas for cleanliness purpose. All the volunteers contributed to make the areas clean. All the volunteers gathered garbage together to be destroyed properly.

Home Minister competition

Date: 20 January 2026 **Time: 8:00 am**

A joyful and energetic **Home Minister competition** was organized for the women of the village and received an **excellent response** from participants and the audience. Women enthusiastically took part in the program, enjoyed every moment, and actively engaged in the fun-filled activities. The event created an atmosphere of laughter, excitement, and togetherness, boosting confidence and happiness among the participants. **Gifts were distributed to the women**, adding to their joy and motivation. Overall, the Home Minister program turned into a memorable and successful celebration, leaving everyone with smiles and positive memories.

Guest Lecture on Modern Agriculture: modern and sustainable agricultural

- by Prof. Vijay Jadhav

Date: 21 January 2026 **Time: 7.00 pm**

An awareness program on **Modern Agriculture and Renewable Energy** was organized under the **National Service Scheme (NSS)** at the **Gram Panchayat Office**. The program aimed to guide farmers on modern, cost-effective, and sustainable agricultural practices. The session focused on improving productivity while protecting the environment.

The program was guided by **Prof. Vijay Jadhav**, who explained advanced farming techniques, eco-friendly methods, and the importance of seed conservation. He also highlighted the effective use of renewable energy sources such as solar pumps and solar panels to reduce farming costs. The interactive discussion encouraged farmers to share their experiences and adopt sustainable agricultural practices for long-term benefits.

KIT's Team Gaganvedhi Sky Observation

Date: 21 January 2026 **Time: 8.00 pm**

KIT's Team Gaganvedhi organized a **Sky Observation activity**, where students had the opportunity to observe celestial bodies through telescopes. The team provided a demonstration and guided participants in spotting planets, stars, and constellations. This hands-on experience sparked curiosity about astronomy and offered a fascinating glimpse into the night sky.

Importance of Sports Activities and Art Competitions:

During the special camp, a group of volunteers visited primary school and with the prior permission of the school principal, NSS volunteers conducted the sports activities to introduce the importance ground sports to the students. Also the competitions like filling colors in the blank picture and narrating the story based on the picture, quiz competitions were conducted during the camp

Guest Lecture on Heart Attack prevention and heart care

- by Dr. Mahesh Shitole

Date: 22 January 2026 **Time: 6.00 pm**

An awareness session on **Heart Attack prevention and heart care** was held at the **Bhaveshwar Temple premises** to educate villagers about heart-related health issues. **Dr. Maheshwar Shitole** provided guidance on the causes, warning signs, and prevention of heart attack in simple language. The program motivated participants to follow a healthy lifestyle through balanced diet, exercise, and timely health check-ups.

Street Play Shows

On 23th January, during the evening session, NSS volunteers performed street plays at various locations across Kasaba Walva village to spread awareness through entertaining yet impactful storytelling. The primary objective was to educate villagers on important social issues while keeping them engaged. Volunteers selected diverse and relevant themes such as cyber fraud, rape cases, fort conservation, organic farming, contributions of great nation-builders, the impact of mobile phones, and the role of youth in society. The performances received a positive response from the audience, fostering awareness and discussion on these crucial topics.

Trek on 24th January 2026

Cultural And Sendoff Function

The **seventh and final day of the National Service Scheme (NSS) camp** was celebrated with great enthusiasm through various concluding and review activities. The day began with **cleanliness of the camp premises and arrangement of materials**. After this, the volunteers shared and exchanged their experiences gained during the camp.

During the concluding programme, the college's **cultural team presented various dances and cultural performances**, adding color and vibrancy to the event. Additionally, under the initiative of the village head (Sarpanch), a dance performance by a five-year-old child was organized, which made the programme even more joyful and emotionally touching. In the presence of the dignitaries, the **dedicated work of the volunteers was appreciated**, and the importance of **social responsibility, discipline, and the spirit of service** was emphasized.

Thus, the **seventh day of the NSS camp** concluded successfully, filled with **cultural joy, satisfaction, and inspiration**.

Report on School Visit – Samarth Vidyamandir and Vidyalaya, Uchgaon (Kolhapur)

Date of Visit: 9th March 2026

Introduction

Our NSS team visited **Samarth Vidyamandir and Vidyalaya, Uchgaon (Kolhapur)**, a school run by *Helpers of the Handicapped*. School follows the concept of inclusive education, where students with disabilities and other students learn together in the same environment. The purpose of the visit was to understand the functioning of the school and to interact with the students through fun and educational activities.

About the School

Samarth Vidyamandir is located in Uchgaon near Kolhapur and is managed by the organization Helpers of the Handicapped. The main aim of the school is to provide equal education opportunities to both disabled and non-disabled students. The school provides a supportive learning environment and focuses on the overall development of students through academic learning, sports, and cultural activities. It also has facilities such as laboratories, library, and

barrier- free infrastructure which helps students with disabilities move and learn comfortably.

Activities Conducted During the Visit

During our visit, the NSS volunteers organized several fun and interactive activities for the students. For the 6th standard students, we conducted activities such as Word Scramble and other small games. These activities helped students improve their thinking ability and vocabulary while enjoying learning process. The students participated with great enthusiasm and excitement. We also visited the **pre-primary section** where we interacted with small children. The volunteers spent time talking and playing with them. To make the moment special, we distributed **chocolates**, which brought big smiles to their faces and created a joyful atmosphere.

Experience and Learning

The visit was a very enjoyable and memorable experience for all the volunteers. We observed that the school provides a positive and supportive environment for every child. The teachers and staff members are very dedicated and work hard for the development of students. Interacting with the children was the most heart-warming part of the visit. Their energy, innocence, and happiness made the experience very special.

Conclusion

The visit to **Samarth Vidyamandir and Vidyalaya** was both inspiring and informative. It helped us understand the importance of inclusive education and the role of educational institutions in supporting differently abled students. This experience motivated us to continue participating in social service activities and to contribute towards building a more inclusive and caring society

KOLHAPUR INSTITUTE OF TECHNOLOGY'S COLLEGE OF ENGINEERING KOLHAPUR (EMPOWERED AUTONOMOUS)

Report on Visit to NGO – Helpers of the Handicapped (Inclusive School), Kolhapur

Date of Visit: 9th March 2026

Introduction

Our NSS team visited **Helpers of the Handicapped – Inclusive School, Kolhapur**, an organization dedicated to the welfare and empowerment of differently-abled individuals. The visit helped us understand the importance of inclusive education, where students with disabilities and other students learn together in the same environment. It was a meaningful experience that increased our awareness about equality, empathy, and social responsibility.

About the Organization

Helpers of the Handicapped is a well-known NGO established in **1984 in Kolhapur**. The organization works for the rehabilitation and empowerment of people with disabilities by providing education, medical assistance, and vocational support. One of its important initiatives is the Inclusive School, where children with and without disabilities study together, promoting confidence, equality, and mutual understanding. The organization also supports **skill-based activities such as tailoring work**, which helps individuals learn useful skills and become more independent.

Activities During the Visit

During the visit, NSS volunteers observed the school environment and interacted with the staff and students. We visited different sections such as classrooms, laboratories, and other learning

spaces. We also understood the daily routine followed by the students, including study time, activities, and skill development. We also visited the **hostel facility**, where many students stay and receive proper care, guidance, and support for their education and daily needs.

Experience and Observations

The visit gave us a deeper understanding of inclusive education and the efforts required to support students with disabilities. The teachers and staff members were very dedicated and focused on the overall development of the students.

Seeing the determination, confidence, and positive attitude of the students was truly inspiring. The organization's efforts in providing education, skill development, and supportive facilities make a significant difference in their lives.

Conclusion

The visit to **Helpers of the Handicapped – Inclusive School** was an enriching and inspiring experience for our NSS team. It helped us understand the importance of supporting differently-abled individuals and the valuable work done by such organizations. This visit motivated us to develop empathy and social responsibility and encouraged us to contribute towards building a **more inclusive and compassionate society**.

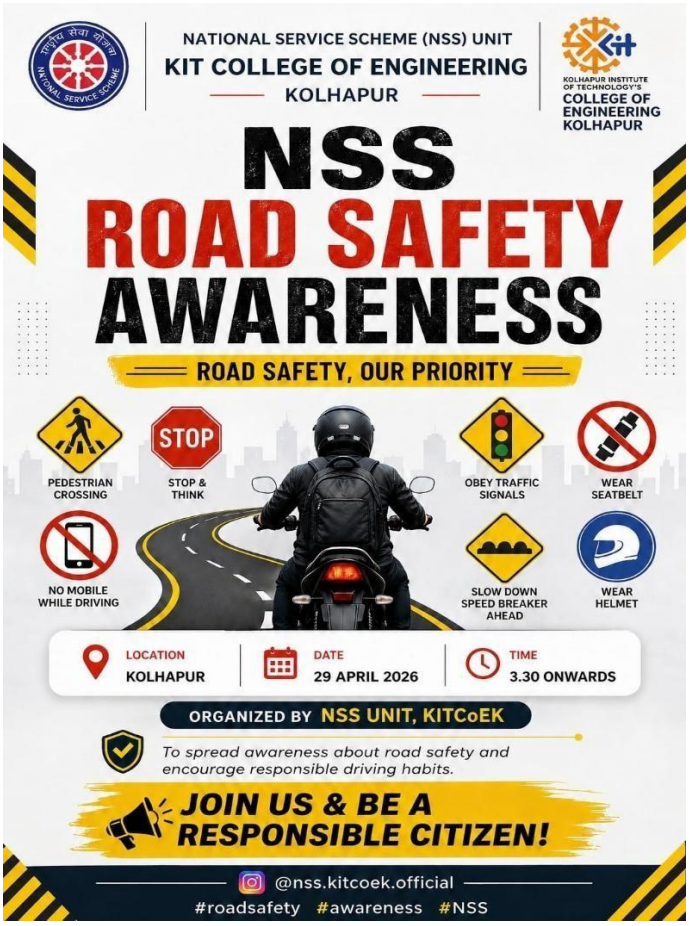

KOLHAPUR INSTITUTE OF TECHNOLOGY'S COLLEGE OF ENGINEERING KOLHAPUR (EMPOWERED AUTONOMOUS)

Road Safety Awareness Activity

DATE : 29 April 2026

Introduction:

Road safety is a crucial aspect of daily life, ensuring the well-being of pedestrians, drivers, and commuters. With the rising number of road accidents, it has become essential to create awareness about traffic rules and safe commuting practices. To contribute to this cause, NSS volunteers organized a road safety awareness activity in Kolhapur city on 29th April 2026. This initiative aimed to educate the public about responsible road behavior and promote adherence to traffic regulations.

Objective:

The primary objective of this road safety awareness activity was to educate and sensitize the public regarding the importance of following traffic rules and ensuring road safety. Through interactive engagement, poster campaigns, and discussions with traffic police, the initiative sought to encourage responsible road usage and reduce accident rates.

Event Structure and Flow:

The activity began with the formation of volunteer groups, ensuring coverage across multiple locations in the city. Volunteers created posters with impactful road safety slogans to visually communicate key messages. These teams then proceeded to different areas, including Shivaji University, CIBER, Bindu Chowk, and Venus Corner, where they engaged directly with the public. Volunteers interacted with pedestrians, drivers, and commuters, emphasizing the importance of traffic regulations and responsible behavior on the road. Additionally, they collaborated with traffic police officers to understand their challenges in enforcing road safety measures and reinforced the need for strict adherence to traffic rules. The volunteers actively conveyed messages about wearing helmets, using seat belts, avoiding mobile phone usage while driving, and following traffic signals, thereby creating awareness through direct engagement.

Impact:

- Increased public awareness regarding road safety and responsible driving practices.
- Strengthened collaboration between NSS volunteers and traffic authorities in promoting safe commuting.
- Encouraged pedestrians and motorists to adopt safer road habits through direct engagement and information dissemination.
- Helped reinforce the importance of following traffic rules to prevent accidents and ensure smooth traffic flow.

Conclusion:

The road safety awareness activity was a successful initiative led by NSS volunteers, making a significant impact on public awareness regarding traffic rules. Through active participation, creative posters, and meaningful discussions with traffic police and the public, this initiative contributed to the larger goal of reducing road accidents and fostering a culture of responsible commuting. Such efforts play a vital role in ensuring the safety of all road users and should be conducted regularly for long-term impact.

Report on Blood Donation Camp Date: 6th May 2026

Centers: Central Library, Mechanical Department, MCA, VLSI Lab

Associated Blood Banks: Mahatma Gandhi Hospital Blood Bank, Shahu Blood Bank and Sanjivani Blood Bank

Introduction:

On the proud occasion of **Maharashtra Din** and **Kamgar Din**, the NSS Unit organized a Blood Donation Camp on 6th May 2026 at four locations – the Central Library, the Mechanical Department, the MCA and VLSI Lab. The event aimed to inspire voluntary blood donation and contribute meaningfully to society. The camp received overwhelming participation from students, faculty, and staff, reflecting a strong spirit of service and compassion.

Objective:

The primary objective of the camp was to raise awareness about the importance of blood donation and to encourage students and faculty members to participate in this life-saving cause. The initiative also aimed to instill a sense of social responsibility among youth and provide an opportunity to contribute to public health by supporting local blood banks.

Program Details:

The camp was inaugurated with great enthusiasm. The inauguration at the **Central Library** was done by **Prof. Thoravat Sir**, while the **camp at the Mechanical Department** was inaugurated by **Dr. Jitendra Bhat Sir**. The event saw a total of **131 pre-registrations** through an online Google Form and **385**

spot entries on the day of the event, showcasing the enthusiasm and commitment of participants.

The blood donation statistics from each center are as follows:

- **Central Library:** 42 donors
- **Mechanical Department:** 136 donors
- **VLSI Lab:** 106 donors
- **MCA:** 232 donors
- **Total Donations:** 516 units of blood

Each donor was acknowledged for their noble act by receiving a **Earbuds and Speaker as a token of appreciation**, which added a meaningful gesture to their contribution.

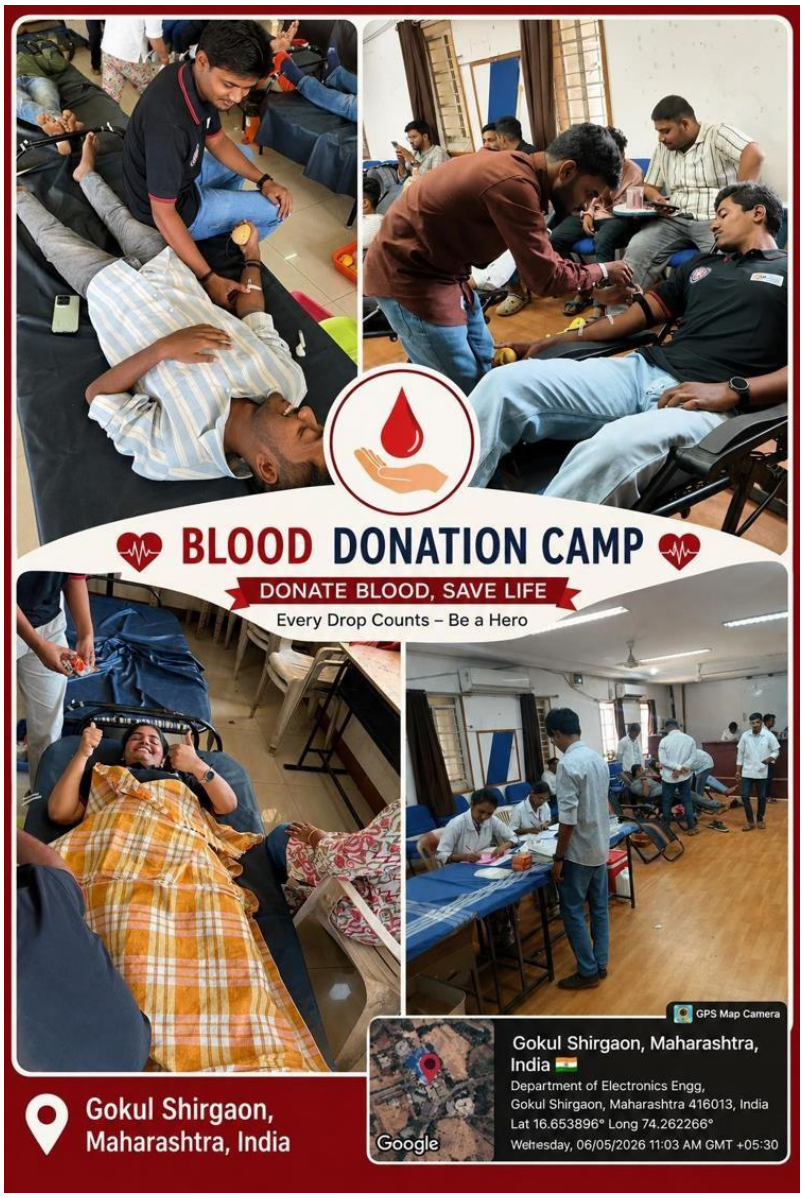

To ensure smooth operations, **NSS volunteers** played an integral role at each center. Their responsibilities included:

- Managing registrations (2 volunteers)
- Coordinating center activities (2 volunteers)
- Maintaining discipline
- Serving refreshments post-donation

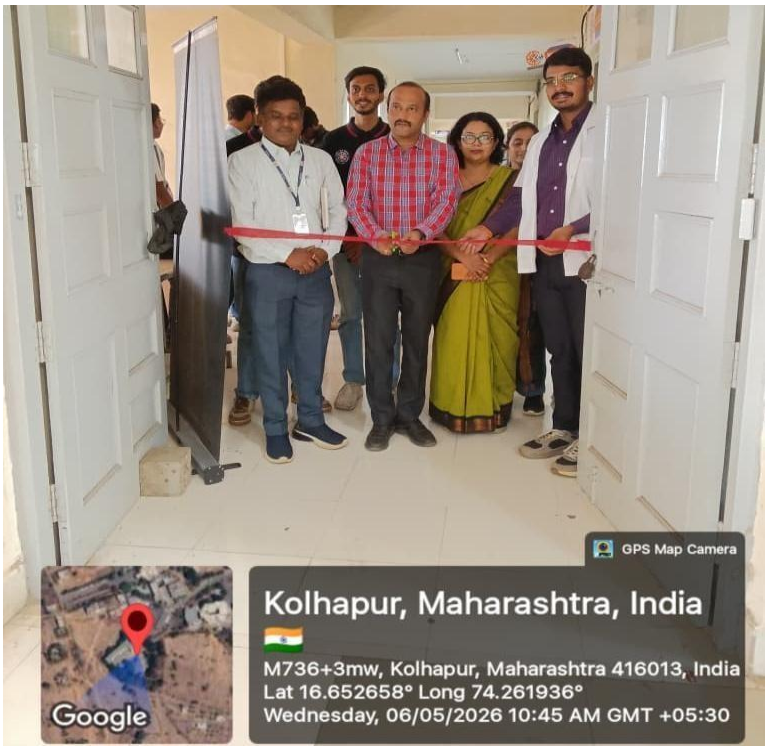

The entire event was **efficiently supervised by NSS Program Officer Dr. Nivas Patil** ensuring professionalism and a supportive environment throughout the camp.

Conclusion:

The NSS Blood Donation Camp was a resounding success, both in terms of participation and impact. It served as a platform to promote humanitarian values and bring the academic community together for a noble cause. The generous contributions made by students and faculty will help save many lives and reinforce the message that **"परार्थम् जीवितं यस्य स जीव ित" – One who lives for others, truly lives.** The camp not only fulfilled its objective but also inspired many to continue contributing to society through such acts of kindness.
