KIT's College of Engineering (Autonomous) Kolhapur

Rotaract Club of KIT Sunshine

AY 2025-26

Name of Club – Rotaract Club of KIT Sunshine

Tagline and Logo -

Establishment Year- 2018

Information about club – Rotaract Club KIT Sunshine is a youth-driven social service and leadership club associated with the Kolhapur Institute of Technology. Established in 2018, the club works under the

Rotaract movement and focuses on community service, professional development, international service, and personality growth. The club actively organizes activities such as food donation drives, awareness

campaigns, environmental initiatives, health-related events, and cultural celebrations. Their motto, "Uplifting personality, serving humanity," reflects their commitment to creating positive social impact

while developing leadership and teamwork skills among students. The club has also received recognition from Rotary International for its impactful contributions and active participation in social causes.

Through volunteering and teamwork, the organization inspires students to become responsible leaders and socially aware citizens.
