Venue-KIT's Playground
Time-07.30-10.00 am

Event Overview

- KIT's College of Engineering's NCC and Shaurya platform jointly organized the "Kshamta" activity to promote awareness about physical fitness and teamwork among students. The event was held on the college playground and saw participation from over 45 students across various departments.

Key Highlights

- Competitive activities included tug of war, tyre flip, and other team-building exercises.
- Students were divided into four teams: Alpha, Bravo, Charlie and Delta.
- Mr. Vijay Rokade, Physical Director, inaugurated the Tug of War event and briefed the participants on the activity's rules and guidelines.
- Events included boy's v/s. boys, girl's v/s. girls, and mixed-team matches, promoting gender equality and teamwork.
- Students showcased their strength, energy, and teamwork skills despite challenging conditions (muddy area and rain).

Outcome and Feedback

- The activity promoted physical fitness, teamwork, and moral values among students.
- Students enjoyed the event and gained awareness about the importance of personal fitness.
- Director Dr. Mohan Vanarotti appreciated the efforts of Shaurya and NCC cadets and

assured a larger celebration next year.

Organization and Participation

- The event was led by Cadet Kunal Patil, Santaji Kurade, Isha Patil, and Seema Gharge.
- Prof. Amit Vaidya kick-started the activity with a motivational song "Jai Bhavani-Jai Shivarai".
- All participants received certificates, and refreshments like peanuts and bananas were provided.

Conclusion

- The Kshamta activity was a huge success, fostering teamwork, physical fitness, and moral values among students. The event marked a memorable celebration of Kargil Vijay Divas and set the stage for future activities.
